DOMOTEX

Domotex is the world's no.1 carpet fair – nothing surpasses it for sheer volume and diversity. This year's event took place in Hanover from 17-20 January; there were around 1,400 exhibitors from 71 countries. As ever it was a spectacular riot of east-meets-west colour. For details on the Carpet Design Awards that took place during the fair, see section commencing page 53.
